

# Moses: Exodus to Covenant

Exodus 13:17-24

God's plan was to completely prove He was all powerful and in **Control**\_\_\_\_\_

The leaving of Egypt from the bondage of slavery was only the beginning of the **Battle**\_\_\_\_\_.

Ch14: 1-31 **Crossing the Red Sea**

We forget that many of our struggles may have the ending purpose of showing others that God is God and ultimately in control. We have our back to the sea and a mighty army in our front. All we can see is a pillar of cloud and fire but we know the might of the enemy's army.

V5 the Egyptians say "what have **We**\_\_\_\_\_ done".

V8 shows the Israelites marching out boldly. This boldness melts by the time they see the Egyptian army. Look at V10-12.

Their cry is not what have we done but they look to the leader whom they were happy to follow, whom they had seen God use to defeat Egypt without them lifting a finger, they said "what have **You**\_\_\_\_\_ done to us by bringing us out of Egypt.

Let's look at Moses and God's response:

**Moses:**

Do not be **Afraid**\_\_\_\_\_

**See**\_\_\_\_\_ the deliverance the **Lord**\_\_\_\_\_ will bring today.

Never see the Egyptians again.

Reiteration of God \_\_\_\_\_ for us and our job to just be \_\_\_\_\_.

**God:**

Why are you crying out to me?

Tell and move on.

**Moses, the people, and God all have jobs to do for this victory to take place. God supplies the plan and the power/ Moses supplies the leadership/ the people must do the action of obedience/ all these in symphony together bring about great victories and miracles we can tell our children!!!**

**After the victory the people's response:**

*It only took 10 plagues, 1 miracle, unearned wealth given, freedom, the battle fought for them, complete deliverance with another astounding miracle that once and for all brings down one of the most powerful nations in the world at that time, for them to finally get it and realize God is almighty, and Moses is who he has chosen to lead them.*

**VI: Plague of \_\_\_\_\_.**

**VII: Plague of Hail**

This plague was said to bring the full force of God to show beyond a doubt that there was no one like God in all the land.

He also states that he could have wiped them off the face of the earth but they were born for this purpose to show God's \_\_\_\_\_ and have it \_\_\_\_\_ throughout the earth.

The only place it did not hail was the land of Goshen.

**VIII: Plague of Locust**

Ch 10 opens with telling Moses to go to Pharaoh but the reason is given so that this story will be repeated for \_\_\_\_\_ so that they know that Yahweh is God.

Pharaoh says that just the \_\_\_\_\_ can go.

**IX: Plague of Darkness**

This plague came with no warning to Pharaoh, no demand, no condition and no threat.

This darkness that they felt literally translated means to fill the people with \_\_\_\_\_

In the land of Goshen there was light during this plague of darkness in Egypt.

The exodus must be \_\_\_\_\_, complete and \_\_\_\_\_.

Pharaoh sends Moses away instead of sending the Israelites to their freedom.

**X: We now will discuss the last plague \_\_\_\_\_ !!!**
